DETAILED ACTION

1. Formal Matters

- A. The Amendment dated 6/9/04 has been entered into the record.
- B. Claims 32-47 are pending and are the subject of this Office Action.
- C. All Statutes under 35 USC not found in this Office Action can be found, cited in full, in a previous Office Action.

2. Specification

- A. The objection to the specification has been withdrawn in view of Applicants' amendment to page 15 of the specification to include Sequence Identifiers.

3. Claim Objections

- A. All objections to the claims have been withdrawn in view of Applicants' amendments.

4. Claim Rejections - 35 USC § 112, first paragraph

- A. All rejections under 35 USC 112, first paragraph, have been withdrawn in view of Applicants' arguments during the interview as well as due to the amendments to the claims regarding "variant" and the addition of a conclusion step indicating that the compounds act via the GABA receptor.

5. Claim Rejections - 35 USC § 112, first paragraph – new matter

- A. Claims 37-46 are rejected under 35 U.S.C. 112, first paragraph, as failing to comply with the written description requirement. The claim(s) contains subject matter which was not described in the specification in such a way as to reasonably convey to one skilled in the relevant art that the inventor(s), at the time the application was filed, had possession of the claimed invention. Claims 37, 42 and 44 recite "combinations thereof." There is no support for this limitation in the claims. The only relevant passage could be found on page 6, lines 8-10 of the specification. However, "combinations thereof" could not be found. **This is a new matter rejection.**

Art Unit: 1647

6. Claim Rejections - 35 USC § 112, second paragraph

A. All rejections under 35 USC 112, second paragraph, have been withdrawn in view of Applicants' arguments during the interview as well as due to the amendments to the claims. The issue regarding the term "specific" has been withdrawn after further consideration by the Examiner. This term is not indefinite.

7. Conclusion

- A. Claims 32-36 and 47 are allowable.
- B. Claims 37-46 are rejected.
